## - as posted to Charles Barrie's Professional LinkedIn account

### **Tushara Kodikara (PMP)**

Data Acquisition Team Manager at The Scottish Government  
August 21, 2021, Charles was Tushara's client

Charles possess an innovative spirit second to none. He is able to successfully complete projects and at the same time bring joy to those he works with.

### **Lillian Fougere**

Strategic Policy  
August 26, 2021, Lillian worked with Charles but they were at different companies

Charles is a community catalyst for sustainability. He is driven, has great vision, and he has the strategy and delivery skills to make it happen. I've worked with/around Charles in various roles and groups for many years. He is always willing to take practical action to deal with any situation and he is a great collaborator.

### **Christina Bellis (she/her)**

Chief Operating Officer at Cogo  
September 1, 2021, Christina worked with Charles but on different teams

Charles is a passionate individual with a wealth of knowledge and expertise. He is a great facilitator who works to build engagement at a community level to generate collective action and disseminate information. He is a skilled communicator and distills information at multiple levels, from government agencies to youth organisations.

Charles demonstrates expertise in, and an appreciation of preserving the natural world, ensuring a healthy environment for the future.

### **Manu Caddie**

Doing interesting stuff with smart people to make the world a bit better.  
August 20, 2021, Manu worked with Charles but they were at different companies

Charles is a dedicated advocate for the environment and local communities. He has a deep commitment to full engagement with people affected by other's decisions. He is warm, caring and has great attention to detail.

### **Christine Officer**

Manager-Investment & Reporting, Jobs for Nature at Department of Conservation  
August 20, 2021, Christine was senior to Charles but didn't manage Charles directly

Charles is a dedicated professional who is committed to creating positive change for the land and people. He's got that skill of being able to see the big picture, yet still focus on the details to get the job done.
